The egg is a symbol of birth; every living creature is formed within some kind of membrane. The tree is a symbol of growth. Together they represent life, a symbol of continual time.

It takes years for a seed, a tree's egg, to become full grown. Full grown? Trees never stop growing, and neither do humans. The nest? It is the egg's security. It is made out of twigs, and it protects the egg. Together they help each other grow and survive.

Fall is the time of year when we get reacquainted with our friends. It is the time to renew those familiar goals of getting to school before the final bell, finishing our homework on the day it's due and practicing to be the best we can possibly be, whether it is in a sport, a vocational program, an activity, or in our academic studies.

## Varsity Shows Improvement

At the top of the football ladder, Harold Dean's Tyger gridders finished their 1983-1984 season with a respectable 4-6 record. A roller coaster ride might best describe

the season. They opened with four consecutive losses and then proceeded to win four of their last six games in an impressive fashion.

Tyger award winners were: Eric Groff, Best Defensive Line and Jimo Adams Awards; Billy Stevens, Coaches' Award and Best Defensive Back;

Oliver Crittenden, Best Offensive Lineman; and Chris Kiser and Robbie Andrews, Best Offensive

Back Award. Thad Rosenberger was selected as second team All-District Linebacker and

won honorable mention All-State. Groff and Stevens were also selected as Captains by their teammates.

Coach Dean will be losing eleven players to graduation; however, due to a fine crop of Juniors, he is hoping for a big season next year.

Homecoming is a special time when the school shows their support for the football team. Five junior girls are honored by being elected as the homecoming court. The girls on this year's court were Hettie Collins, Carmen Webb, Dusty Harless, Michelle Conn, and Queen Alice Bradshaw. Their escorts were Tim Harless, Anthony Lamb, Eric Graff, Brett Gilbert, and Don Setser respectively.

This year's homecoming assembly, put on by the class of 1985, was different from past homecomings in several ways. The girls dressed in the school colors, the court in red, and the queen in white. For the first time ever, the concert choir performed at the homecoming

assembly, singing "A Time for Us," as arranged by Mr. Percy Hall. Two junior members of the football team crowned the queen.

The rest of the assembly kept with tradition. The orchestra, directed by Mr. Hall, played throughout the ceremony. The game ball was presented by co-captain Billy Stevens. John Sylvester, accom-

panied by a few members of the orchestra, sang to the court. Linda Loescher read a poem which was written by Buck Schmidt. Asa Jesse and Heather Nore were the M.C.'s for the ceremony.

The Tyger football players scored an exciting 33-7 victory over Lorain Southview. The court was introduced at half time, and the girls were escorted by their parents. The dance with D.J. Sam Avellone was held immediately after the game.

The junior class and their advisors, Dave Gross and Mary Margaret Moore, worked very hard to put homecoming together, and they have every reason to be proud. This year has truly been "A Time for Us."

## Frosh, J.V. Work Their Way Up

To be good you have to start from the bottom and work your way up. Each year football gets harder, and the competition gets keener. It takes work to be the best team, and it starts here with the freshmen. Even though the year was hard, and the competition was tough, the freshmen worked their way to a 6-1 record for

the season. The coach of the freshmen was Dave Moore.

Next, the freshmen move up to the J.V. team where practice is rougher and plays become more

complicated. But the harder it is, the more rewarding it becomes. The J.V. squad ended their season with a record

of 1-4-1. Jeff Schwall coached the J.V. squad.

Opposite page: Right: Freshman Cheerleaders. Left: Thonya Murphy amuses the crowd as a defensive cheer is sung out to the crowd during an offensive play.

Cheerleaders don't usually get enough credit for all the work they do. From 3:30 to 5:00 every day the girls practice their routines. Over the summer they attend cheerleading camp and compete for ribbons. This year's varsity squad, which was captained by Carmen Webb, and co-captained by Thonya Murphy, ended up with two first place ribbons and one second.

The cheerleaders help

pep all of us up while we sit in the bleachers patiently waiting for that final countdown. They keep our spirits flaming and our heads held high, especially when the odds seem against us. If it

weren't for the cheerleaders, who would bring forth all of that hidden pride that each of us possesses? They are always there to remind us that we are #1, no matter what our records

may look like, and thanks to their spirit, we feel we are.

The girls performed at V.V., pep assemblies, the Halloween parade, and at both boys' and girls' games. The reserve captain was Jill Renwick, while her mother Karen Renwick advised both the varsity and reserve squads. Bridget Feagin was freshman captain, and Jill Hurlow was advisor.

## **Girls Have Successful Season**

The lady Tygers, led by Coach Kathy Reed, had a great season in volleyball for 1983. The J.V. record was 8-10, and the Varsity record was 5-3. Mamie

Ramsay was Captain and Tyanne Blaising Co-Captain. Awards were given out as follows: Most Improved, Crystal Norris, Brenda Murphy; Most Valuable, Tyanne Blais-

ing, Lisa Tuttle; Best Defense, Jody Pollman, Mamie Ramsay, Susan Bottorf; Outstanding Spikes, Crystal Norris, Laurie Theaker; Most Supportive, Tyanne Blaising, Susan Bottorf.

The volleyball scores were kept by Laurie Myers. Debbie Blake was manager.

This year's Tyger golf team was made up of eight individuals who have worked years to master this difficult sport. The team practiced nearly every day from late summer until season's

end. Coach Henry's Tygers placed a solid second in their own Tyger Tournament. They placed fifth in the Mansfield Tournament and tenth in the Sectional Tournament. Three sophomores lettered for the varsity as

did three juniors, which makes a solid building nucleus for next year's team. Boyd Bolte was the Tygers' medalist, Bobby Carcione was the team captain, and Chris Olson was the team's most improved player.

## Coach Lorentz Takes Over Girls' Tennis

The 1983 Girls Tennis team was led by first year coach Jerry Lorentz. With a lot of hard work and effort they finished the season at five wins and eleven losses.

Vicki Speigle led the team at first singles with

Kris Catello and Heather Nore alternating at second and third singles. Linda Loescher and Lynn Kochheiser made up the first doubles team, while Sarah Pierce, Amy

awarded the 1984 captain and Sarah Pierce received the most improved.

Calhoun and Jenny Hall played second doubles. The reserve Tygers included Alice Lee, Teresa Rodriguez and Julie Miller.

At the Fall Sports Banquet, Lynn Kochheiser received her four year varsity award, most valuable and 1983 Captain. Kris Catello was

It takes determination and commitment to run cross country. Running up to three to four miles a day strengthens the heart, burns away the calories and awakens the soul. It's an aerobic exercise that increases the

lung capacity and is a challenge to anyone who tries it.

This year's team, coached by Ralph Rawls consisted completely of underclassmen, led by captain Tim Peterson and

most valuable John Jackson. Though they didn't win a meet, this should be the start of a new team.

## **Cross Country Sees Strong Future**

## Mr. Hall Leads a "Band for All Seasons"

Along with the cheerleaders, the band helps keep our spirits high. They play their music at times of victory and times of grief. They play to help celebrate a

holiday and to help reawaken the fading past. They play for themselves, and they play for us.

Percy Hall, assisted by Glenn Fisher, conducted the band this year. Anne

Bernhardt was band president; Gaydine Hildebrand was vice-president; Kristy Haller, secretary; and Luann Krichbaum, treasurer.

This year's marching band performed at half time during football games, at Cedar Point, and marched in several parades. After football season the marching band splits up into the symphonic and concert bands. These bands give

concerts and compete in the Solo and Ensemble Contests. The symphonic band also plays at commencement.

The Jazz Band participates in Jazz festivals. This year they participated in the Festival at Marion and at the Renaissance. They also performed at the J. C. Gorman assembly.

As always, the band

members sold cheese and sausage and booster tickets to raise money.

The Mansfield Senior High Class of 1984 proudly presented the 33rd Annual Varsity Variety Show, "Hold on to the Moments," on November 11th and 12th.

The fourteen acts included singing, dancing, instrumentals, and skits, with Mr. Hall and the Jazz Band performing at

intermission.

Director of Varsity Varieties was Anne Bernhardt, assistant director was Sue Wharton, and producer was Lisa White. Business Manager was Lori Hazlett, and Stage Manager was Darrin Charman.

Varsity Varieties challenges our leadership abilities. We learn to take control of a completely hectic situation. This is where the bind of unity is most apparent. The production was put on by the seniors, and they worked together to make it the best possible. This year it was Anne B. and Lynn K. who decided to take control, with Sue, Bob, and Lori to help.

Master and Mistress of

Ceremonies were Steve Williams and Sara Calhoun. They wore Graduation caps and gowns and talked about and remembered all of the things they had done through the past twelve years of their lives.

Mr. Lull and Mrs. Kohutek were the Senior Class Advisors.

## **Seniors** **Hold on to** **the** **Memories**

When we enter Senior High, we begin our growth as freshmen. We begin to learn how to act and how to behave as adults. We start to date. Some of us get jobs, while others get involved with sports. Still, there are others who just study and study.

It is when we are freshmen that we start to break out of our shells and become individuals. That is when we begin to take separate identities, and when we start becoming ourselves.

With each new season and with each new year, changes take place. We are continually changing. Small parts of us die in winter or settle down to rest until warmer weather arrives, or until someone brave enough comes along to reawaken those hidden dreams and memories — someone special enough to arouse some of our forgotten senses.

Winter is the only season that we spend so much time indoors. Even all of our school activities are spent indoors! Winter may be when we are the closest to one another, for it is in winter when we share jackets to keep warm and smiles to keep sane.

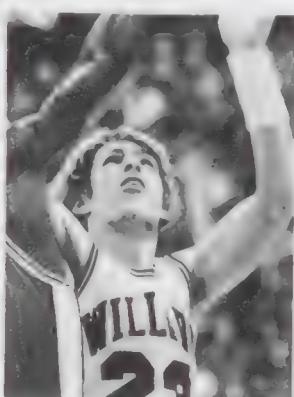

# WINTER

## Tygers Are Sectional Champs

The varsity team, led by fifth year coach Joe

Prats, finished this season with a 16-8 record. The Tygers captured the Sectional Champ title and went on to district runners-up.

Most valuable player went to Eric "Bubba" Toddie, who also received the most points and most assists. Most rebounds went to Tyron Buck, and most improved went to

Tim Harless, who also received best free throw percentage. Senior Mark Haynes got best field goal percentage. Coach Prats felt that the team played their best ball during the end of the season but was really happy with the turnouts. The varsity team also finished number one in the AAA division in the area.

The 1983-84 Lady Tygers finished the year with a worth mentioning record. They ended up with 21 wins and 4 losses. Seniors Carla Norris and Steph Crawford were captains this year.

The ladies beat Lorain Admiral King, 19-0, and they were number one in the state at the time. They also beat Malabar at home on Valentine's

Day. 58-33.

Carla Norris received the following awards: most valuable player, most rebounds, most assists and best free throw percentage. Selina Cunningham was awarded best field goal percentage.

The Tygers had a very good year with the help of their coach John Miefert. Good job, ladies!

## **Carla Norris Leads Girls to Top Season**

Winning basketball is a Tyger tradition, and the winning starts on the

Freshman and Junior Varsity Basketball Squads. These young men dedicate their summer hours and rough autumn conditioning to the long grueling winter season. These young men work hard preparing themselves for the day

that they make the vari-

ty squad.

The junior varsity, coached by Jim Battisti, finished the 83-84 campaign with a 16-4 mark. They were led by captains David Minard and Ron Parr.

The freshman basketball team was coached

by Dan and Don Blakley. The team finished the 83-84 season with five wins and nine losses.

Choir and orchestra help to celebrate the sound of music that we are so very capable of. Choir is the only class where one is encouraged to use the vocal cords, while orchestra is the only class that begins at 7:25

a.m., limiting the membership to the truly dedicated.

The orchestra, under the direction of Percy

Hall, has had a rewarding year. The orchestra shared their splendid talents with people in the community through such events as winter and spring concerts, homecoming, class day, and numerous other successful activities.

The choir, under the direction of Michele Shafer, also had a successful year. The choirs shared their songbird voices with music lovers

from all around the area. They participated in such activities as, spring and winter concerts and also, due to their superb talent, district and state contest, where they received straight ones. Some of the choir members also got to spend Thanksgiving in New York City.

## **Musical Groups Deserve Respect**

## Individual Sport Requires Strong Team Support

Wrestling is more than just a physical sport. Wrestlers must control their weight and be in the proper state of mind to win matches. Although wrestling is largely an individual sport, the team members become close friends, working together to provide each other with moral support. All of the team's hard work has paid off.

This is Coach Selmon's

first season as a Tyger coach, and it has been an impressive one. Although Senior High placed sixth at the J. C. Gorman Invitational, they went on to place fourth in Districts. They received a 2nd place trophy for their performance at the Marion Wrestling Classic.

Two wrestlers, Mike Longood, 119, and Billy Stevens, 145, qualified for the Lorain Regionals. From there Billy Stevens went on to qualify for the State Championships. Stevens, along with Thad Rosenberger, 155, was selected to the North Central Ohio Wrestling Coaches Assistant All-Star Meet.

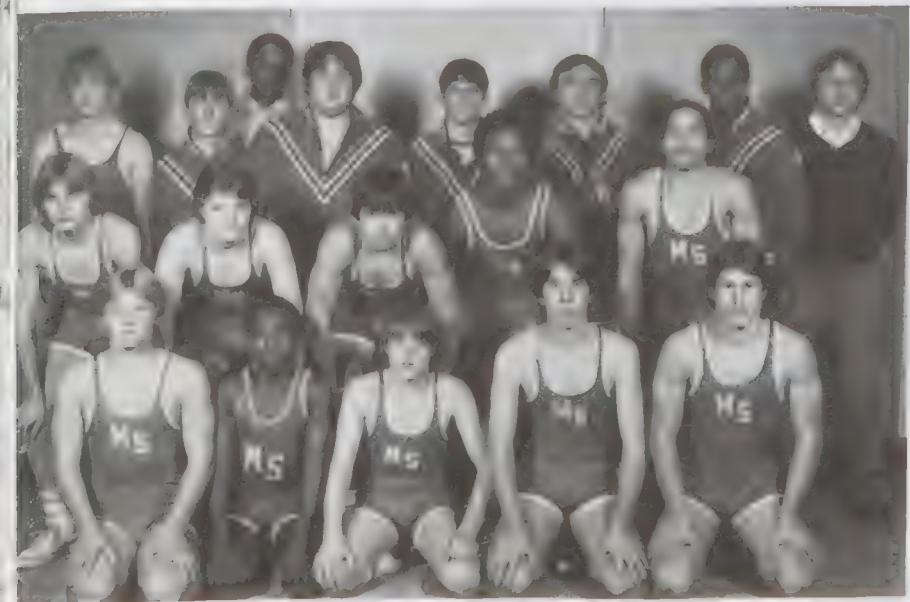

The awards given at the banquet included

Most Valuable, Billy Stevens; Most Pins, Thad Rosenberger; Most Takedowns, Billy Stevens; Most Improved, Kevin Lyter; Co-Captains, Tony Peterson, Ronald Jester, and Billy Stevens.

Michelle Owens, Former 1983 J. C. Gorman Queen, returned for the assembly, to crown Dong Doan 1984 J. C. Gorman Queen. Miss Doan's escort was Brett Gilbert. Her sister, Hang Doan, had once presided as the

#### 1980 J. C. Gorman Queen.

Queen Dong's court consisted of five of M.S.H.'s finest ladies which included Sue Wharton, escorted by John Duellman; Julie Schroeder, escorted by Ron Parr; Robin Isaac, escorted by Billy Stevens; Phyllis Parker, escorted by Edgar Dominguez; and Gina Howard, escorted by Brian Horsley.

M.C.'s for this year's Assembly were Vicki Shafer and Steve Williams. Mr. William Flanagan, former wrestling coach, and Mr. John Selmon, the current coach, congratulated Queen Dong and her court.

The girls reigned over the J.C. Gorman Wrestling Tournament, presenting awards to the finalists on Saturday night.

# Drama Students Present *Our Town*

On January 27th and 28th, Mansfield Senior's Drama Department welcomed the public to view their rendition of Thornton Wilder's *Our Town*.

The uniqueness of the play did not lie in its content but in its presentation. No curtain was used, and for most of the play scenery was absent, but not missed. Jane Fox, Nancy Rickson, and Keith

Luce, who played the stage managers, talked directly to the audience and announced the cast. They then described the setting of the scene, leaving the fine details to the audience's imagination.

This original and unique portrayal of *Our Town* made for an enjoyable evening. The audience found the play amazingly comprehensible and

delightful to watch.

The play was directed by Bill Asher. Kathy Croghan and Jim Meister were chosen best actress and actor by their fellow performers.

During our sophomore and junior years we begin to realize what friendship really is. The memories that other individuals give to us are part of the knowledge that expands our souls; our friends become a part of us.

School is more than fun and games now. It is a part of our future. We work to become what we are and what we want to be. Slowly we start to break away from our close physical ties, but inside those memories and friends will never be forgotten.

With each new horizon comes a new day and a new goal to accomplish. Without our friends and teachers we would have never made it to a tomorrow, because it was from them that we found the hidden strength to go on.

Flowers and trees begin to grow again in spring. We find ourselves outdoors more. New options are opened to us; what are you going to do this summer? Work? Buy a car? It's great! We get to make decisions! We are growing once more, and the days just fly by, for summer is coming, and it is time to change.

had never played softball before, I think we did remarkably well." Coach Au is looking forward to next year and hopes to start a reserve team if

enough girls come out. Some of the award recipients were: Most Valuable Player, Mamie Ramsay; On base percentage, Sue Longood; Most Improved, Brenda Conners; RBI's, Chris Raphael.

## Girls Make Up Young Team

## Inexperienced Team Shows Potential

The Senior High tennis team had yet another dismal season because of an inexperienced team,

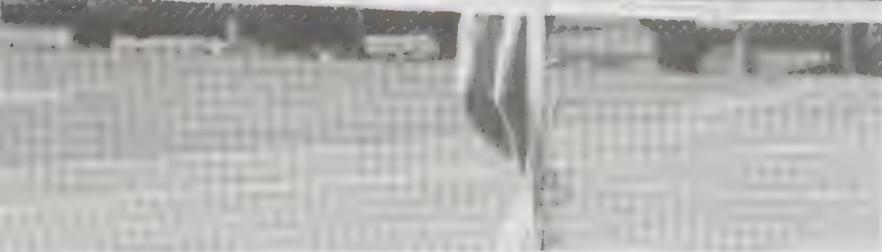

a team with only one returning letterman. Their record was 1-14 behind number one seed Brad Cochran, number two seed Tim Conr, and

number three seed John Tridico. The doubles teams consisted of Tim Peterson and Bob Carclone and Dennis Davis and Jim Maglott.

Brad Cochran received the most valuable player award and also was elected captain, while John Tridico was voted most improved.

With a lot of hard work and practice, this team has the potential to win many matches in the future.

Opposite page: Left: God, played by Chris Howard, warns Annette Owens not to use a knife for removing the roast from the toaster. Right: John Russell's character, Harry, calmly informs his wife that God is coming to breakfast.

The Drama Department's spring production consisted of four one act plays: "Fredrick", "Balcony Scene", "When God Comes To Breakfast, You Don't Burn the Toast", and "The Pen of My Aunt."

"Fredrick" is about a high school football star who wants more than anything to become an actor. He proves his acting ability by portraying a girl so well that even his own family doesn't recognize him.

In "Balcony Scene" a man and his guardian angel are sitting in on the man's funeral. The comments made by those attending the funeral will determine whether or not he will be let into

Heaven.

"When God Comes to Breakfast, You Don't Burn the Toast" is a comedy that takes place when God visits an average American couple.

In "The Pen of My Aunt" a man is helped to escape from the Germans by a woman pretending to be his aunt.

Awards for outstanding performances were given at the first annual talent show awards banquet. Best actor and actress for each of the one acts were Bill Johnson and Diane Thompson, Jim Meister and Jodi Duffey, and Chris Howard and Annette Owens for the first three plays.

Other awards given were: Best Thespian, Asa

Jessee; Rookie of the Year, Jim Meister; Gopher of the Year, Nancy Rickson; Best Tech Crew Worker, Jane Fox; Best Leading Roles, Jim Meister and Kathy Croghan; Best Supporting Roles, Asa Jessee and Jodi Duffey; and Cameo Roles, Bill Johnson and Diane Thompson.

## Baseball Team Takes New Direction

This year's Tyger baseball program underwent many changes. Coach Jeff Vaughn brought in new ideas and

a strong new attitude as the new Tyger mentor. The biggest change was in the players themselves, in that they too entered the season with desire and dedication. What was thought to be a rebuilding year with only three seniors turned out to be a positive year with the players realizing

their talent. Steve Konstantinidis and Robert Jones were presented with captains awards at the end of the season.

The boys' track team, led by head coach Fred Arwater and his assistant Ralph Rawls, went all the way to state competition this year. They placed eleventh in the Mehock Relays with Bubba Toddie placing first in the long jump. In state competition Toddie placed third in the long jump, second in the 200 meter, and along

with Tyron Buck, Robbie Andrews, and Anthony Lamb captured second in the 400 meter relay. The Tygers finished sixth in the state competition.

Awards went to Bubba Toddie, MVP; Anthoy Lamb and Kevin Thompson, Captains' Award; and Tyron Buck, Most Improved.

The girls' team, led by

Coach Rita Gibbs, sent two girls to the regionals this year. Libby Hairston captured eighth place in the long jump, and Wendy Minard competed in the 100 and 200 yard dash. Award winners were MVP Wendy Minard, Captains Sonya Haynes and Lori Theaker, and Most Improved Sonya Haynes.

## May 28, 1:15 P.M.

One of the days we all look forward to is Class Day. It is then that we are recognized for all of the hard work we put into becoming number one.

This year's valedictorian was "Mr. President," Darren Chatman. Among his other awards were the principal's Award, U.S. Army Scholar Athlete Award, Bausch-Lomb Award, American Legion Award, and the Mansfield Education Association Scholarship.

Sue Wharton, vice-president of the class, was salutatorian. She also received the Principal's Award, the Michigan Honor Award, and was named top senior girl by the American Association of University Women.

Ranking third through sixth were Kris Lutz, Anne Bernhardt, Ann Kracker, and Lynn Kochheiser, all of whom have gone to school together since attending Brinkerhoff. Carla Norris was the first Senior High girl to receive a full athletic scholarship. Having scored over 1,000

points in her basketball career, she will now be attending Adkron University.

Tony Peterson received the Cole Memorial Scholarship for physics, Traci McNeil was announced as winner of the Wilcox Scholarship, and Cheryl Jackman was awarded the Ann Gerrell Memorial Award. Eric Groff and Lynn Kochheiser were named the outstanding seniors by the Mansfield University Club.

After Class Day a reception was held in the cafeteria for the seniors and their parents. This was hosted by the Classes of '85, '86, and '87, starting a new Senior High tradition.

**This page:** Top left: Receiving her nomination from the University Club is Sue Wharton. Top near left: Valedictorian Darrin Chatman is finally recognized for his uncanny ability to remember facts and figures. Middle left: A silver cup is awarded to Lynn Kochheiser for being named outstanding senior girl. Bottom left: Seniors wait patiently for the day's end. Top right: Billy Stevens and Kenny Wright ask, "Is it really worth it?" Bottom right: Carla Norris, most outstanding girl athlete, receives the Pete Henry Award.

The class of 1984 held their prom at the Mohican Lodge on Friday, May 25. It has been held there for six consecutive years. Why the popularity of the lodge? Despite the half hour drive and winding roads, it is the ideal place for making lasting memories. The prom is the first and possibly the last time we'll see each other so formal. It is also the last dance before we leave

Senior High. So, it is important to have a place we can pleasantly remember and call our own; Mohican is that place.

Many arrived at the Prom in sports cars; a few rented limousines. 6:00 featured a buffet dinner, which included spaghetti, barbecued spare ribs, and assorted desserts. Afterward a dance was held with Tom Danner "productions" acting as

the DJ. Becky Hoskinson and Richard Risner were voted prom Queen and King.

Following the dance, many of the couples met at Cinema World to see the movie "Firestarter" or "Making the Grade." Then, at about 3:30 all were invited to an early morning breakfast at Denny's. All in all the 1984 prom, "Time Will Reveal" was a delightful and memorable experience.

## Time Will Reveal

## Seniors Graduate

"Nothing in life is easy, but when you put hard work and desire into action, anything can be accomplished." That was

valedictorian Darrin Chatman's message to the 215 graduating seniors of June 2, 1984.

Salutatorian Susan Warton also spoke. "Many small, personal promises will lead us to our ultimate goals." She stressed that it is time for the graduates

to create new goals.

Rev. Alfred W. Schroeder, pastor of St. John's United Church of Christian Defiance, Ohio, gave the invocation. Superintendent Barton Cromer attended the ceremonies, making an address, and Mr. Morvai presented the 1984 class to school board members Ruth Harsch and George Hall, who awarded diplomas. Rev. Aaron Cunningham, pastor of the First University Methodist Church, gave the benediction.

Graduation is only the topping on the cake. It's that sweet taste of victory that whets our lips as we receive our diplomas. It is the beginning of our futures. It is not the end of a lesson or a class, because each new day we'll be taught new facts of knowledge . . . new facts of life. Graduation is the event that assures us that there is a future out there, and that it's waiting . . . for us.

This page: Far left: Darrin Chatman sincerely gives his farewell and good luck wishes to his fellow classmates. Middle left: Giving his last words of advice to the Class of '84 is Mr. Morvai. Bottom left: Mamie Ramsay and Regina Restelli patiently wait to turn their tassels to the right. Top right: "Congratulations guys . . . I'm sure gonna miss you!" Bottom right: Seniors listen to the thoughtful words of the speakers

Opposite page: Left: Andre Craig motions to the crowd, for he has received his diploma at last. Right: Now we are graduates!

# PEOPLE

After a matter of time we are seniors. Each one of us has set our own goals to reach. Through the years we've had many successes and made several mistakes, and from them we have learned and flourished. Sometimes the stresses of school (and of life) seemed almost unnn-bear-able, but we always pulled through. The pressures were there to test us, to show us how strong we need to be today and need to become for tomorrow. It was, and is, a challenge to see who can beat the odds, who can produce a quantity of work while still maintaining the quality. This year 230 graduating seniors beat the odds, and next year the seniors will probably come through again, just as they have in every past class.

Over the years we'll make more mistakes and more memories. We'll take on new challenges and keep on growing . . . like a tree. Life will become more complicated, and in turn will become more rewarding. We've emerged from one shell only to grow into another, and each year there will be still another. What will become of us? Maybe one of these days we'll hatch an egg of our own. Who'll know? We'll know . . . in a matter of time.

Doug Pugh

Charles Sauder

## "Legends" Retire

Doug Pugh graduated from Central High in Ipswich, England. He attended college at Ohio State University and Kent State. For nineteen years he has taught at MSHS in the fields of English 10, 11, 12, Speech, Journalism, Debate, Great Books, and Advanced Comp. He has been the advisor of Black Culture Club for fourteen years, National Honor Society for eight years, and has served as Senior Class Advisor numerous times.

Those who have had Mr. Pugh leave Senior High with memories of *Prometheus*, *The Stranger*, "The Tiger and the Strawberry," and those ever so famous compare and contrast papers — not to mention his cynical wit. He will leave with memories of those non-permitted "Good Mornings," the stumbling speeches of inexperienced readers, and the silent smiles of respect. One could almost say that he'll be remembered as a cool breeze of scented wind, carrying messages that suddenly alert our thoughts of once blind knowledge, when first we failed and turned deceived. Those long talks in class were not wasted. They were for us, to help us, to teach us, and to prepare us for the hardships that are yet to come.

Charles Sauder was graduated from Mansfield Senior High and attended Bowling Green, the College of Wooster, and Ohio State University, where he received his Master's Degree. Throughout his thirty-four years of teaching (thirty-two of them at Senior High) he has taught Plane, Solid, and Honors Geometry; Commercial Math; Algebra I, II, and Honors; Trigonometry, College Math, and Honors College Math. He served as advisor of the Manhigan Business Staff for five years.

Twice Mr. Sauder was the Hypho Teacher of the Month, but he was always a friend and a great teacher to every student who had the unique experience of learning in his class. One of his favorite quotes is "Life is a grindstone; whether it grinds a man down or polishes him up depends upon what he is made of." Another is "We make a living by what we get; we make a life by what we give."

The walls of MSHS will echo with the absence of Mr. Sauder. He'll be missed just as summer's warmth is missed in the harsh winter months . . . silently and wishfully.

To Ken Murray . . . the 1983-84 Mannigan Staff dedicates this yearbook. He has been a devoted teacher and to many of the students a very close friend through the years. His art ability has been passed down to his students, for he has always tried his best. This is for you, Mr. Murray, just to show we appreciate you. — McBride.

I would like to thank the yearbook staff for all their time and consideration . . . Jeff Guill for his drawings (and his patience!), Tina Brandt for all her fabulous typing, and Paula Hedge for managing the business. I would also like to thank Steve Harden for his unobligated photography time, Robert Hrvnak for the use of his darkroom and film, Mrs. "K" for the use of her key, and Ken Murray for his "out of class" support. And most importantly, I would like to thank Dave Gross for his guidance, friendship, and time in helping to pull this book together. We did this thing together, and it couldn't have been done the same without you!

THANK YOU!

# Autographs

As Mark Mikolas once wrote in the July 1984 *Country Journal*, "the egg is the symbol of perfection, a source of superbly balanced protein. It offers almost every amino acid essential to life in virtually the exact proportions the body requires to make optimum use of the egg's protein. It is one of nature's finest packaging designs, a religious symbol of unfledged versatility, an intricate and well-appointed birth chamber, and the raw material for such elegant and amazing structures as soufflé and angel food cake. In its perfection the egg is the symbol of the universe, the work of a supreme deity!"
